

## FAASTeam Representative Annual Training

We will cover items such as Creation of SPANS events, FAASAFETY.GOV. State accident reports along with causal factor with open discussion of accident mitigation. Little Rock AFB will report on flight patterns and hazards. The process of creating Rep Reports and the value of everyone doing so. Future of the FAASTeam and the next step with new management as Mike Wilson will be retiring the end of Oct. There will be Little Rock FSDO supervision on hand and quite possibly Southwest Region supervision as well. Be prepared to offer input on how the FAASTeam can be more effective.

**Directions:** Drive north out of Mountain View on Hwy 9 for approx one mile and take left on Hwy 382, travel again approx. 1 mile on 382 and take left at entrance of Ozark Folk Center, then take first right to the Bodark building that is before you go up the hill. For a ride from the airport if you fly in call 870-612-2889.
